Dedication
to the
Most Rev.
John F. Noll, D.D.
Bishop of
Fort Wayne
on the
Occasion
Of His
Silver Jubilee
to the
Episcopacy
700901

In this year of 1950, our Bishop, Most Rev. John F. Noll will celebrate his 25th year as the Bishop of the Fort Wayne Diocese. These twenty-five years have been filled with many notable achievements.

He has been the acknowledged leader in the campaign against lewd and indecent literature throughout the nation.

He has founded many worthy institutions, among them the Novitiate and Motherhouse for Missionary Catechists at Victory Noll. The beautiful Seminary "Our Lady of the Lake" at Wawasee, is also a monument to our Bishop. During the past year, a diocesan summer camp has been opened on the seminary grounds.

The most notable and far reaching of Bishop Noll's accomplishments has been the establishment of Central Catholic and other high schools in the diocese.

In grateful appreciation, we dedicate the 1950 ECHO to our Bishop.

REV. FREDERICK J. WESTENDORF
Director

Father Westendorf, our Director, is now in his third successful year at Central Catholic. During this period, he has helped each one of us immeasurably. Our friendly Director is present at the important events of the school, and is always willing to extend a helping hand to the student body. This year Fr. Westendorf inaugurated the Student Council, which we are sure will function to the advantage of both faculty and students.

We, as seniors, are leaving C. C., but Father Westendorf will remain and help others make their four years at C. C. memorable ones.

RT. REV. MONSIGNOR CHARLES J. FELTES
Treasurer

Monsignor Feltes, our Treasurer since 1938, efficiently manages the finances of the school. He also gives the instructions on the Sacrament of Matrimony to the Juniors.

During the past year, Msgr. Feltes has been elevated from the rank of Papal Chamberlain to that of Domestic Prelate, an honor that has been richly deserved.

To Monsignor Feltes, for his efforts in our behalf, we say "many thanks" from the Class of 1950.

THE SHAMROCK

During the 1949-50 school year, the Shamrock, published by the journalism students, under the direction of Sister Margaret Thomas, had one of its best years. For the first time, the rotating staff method was used, and proved to be successful. In this way, all juniors and seniors who were interested in editing the paper, have a try at it. During the first semester, only the regular staffs rotated; but the last issues were taken over by a new group of writers, who had been assistants earlier in the year. That made even more editors and staff members who were working to keep the high rating which the paper has received from the Catholic School Press Association, National Scholastic Press Association, and Quill and Scroll.

Two new columns were introduced this year, " . . . and besides," and "Small Change." Others were added, but these did not appear regularly. The six-page Christmas issue was our "splurge" for the year. It really put everyone to work, including our artists, and made use of all these new columns. That's it—another year's Shamrock has been put on file.

Little Sir Echo Goes to the Shamrock-Echo Party . . .

"It was lots of work but it sure was fun" was coming from every member of the Shamrock and Echo Staffs of '50. Proof of the fun was evident when the Shamrock and Echo staffs met for a potluck supper at the Cathedral Senior C.Y.O. club rooms. Since the occasion occurred during the "spook" season, dunking for apples was the big attraction. Although Dick Uecker won the contest, the girls deserve an honorable mention as their wet hair and faces showed a trying task. Jack Kelty and Barney Rogawski were the victors of the cracker-eating and silver-mining contests. The party was planned by the editors of the Shamrock.

OUR LIBRARY

Ever since our school was built in 1939, Sister Alphonsus has been our very able and efficient librarian. She is striving constantly to get interesting and educational literature for the students' use. She has also kept the library up-to-date with a wide selection of papers and magazines. The purpose of the library assistants is to help her in such matters as delivering the permit slips to the various study halls, and typing and filing cards which are used by the students.

CAFETERIA STAFF

Our cafeteria has become a popular place for the students. With Mrs. Barbara Putt as the supervisor, "Mom" Seibert to do the cooking, and seventeen industrious girls to do the work, the student body has an efficient cafeteria staff. Freshman Class History

Our Freshman Class has shown up very well in their short time at C. C.

They had the usual trouble with their lockers, getting used to the crowds at the stairways during class shift, and being sent to the boiler room after innocently inquiring of an upperclassman the location of the gym.

They elected Jerry Boyce to lead them, joined the clubs, Band, and Orchestra. They were well represented in their honor roll, and showed promise in athletics.

A PARTING WORD TO THE FRESHMEN

School is more than football and basketball games, dances and plays. School is the training field of life. Your teachers are there to instruct, guide, and discipline you. They are not your natural enemies, but people who would like to bring the best out of you. Your classes are not chores, but means of training your minds and introducing you to a knowledge of things human and Divine. Rules are not to hinder your freedom, but to coordinate the activities of all the students. A school is no better than its student body. The Freshmen of today will determine the future glories and achievements of C. C.

The 1949 Football Season

During 1949, the Central Catholic Fighting Irish had a seasonal record of three wins and five defeats. It was a very disheartening year, because the Irish actually made more points than their opponents. One team beat them twice by twelve points; twice they were defeated by a single touchdown; and one they lost by a single point.

After the opening game with South Bend Washington was canceled because of the polio plague, C. C. beat South Bend Catholic 27-0. The next victory came over the Concordia Cadets. When the gun sounded, the scoreboard read: Irish 24—Cadets 6. On the fifteenth of October our squad visited Howe Military Academy. After a bruising battle, the visitors defeated the hosts by a slim 7-0.

The Central Tigers twice defeated the Purple and Gold by the same score: 24-12. The second of these was hard to take because our team completely outplayed the Tigers in the first half, but could not hold the ferocious Bengals in the last half. Two of C. C.'s arch rivals, North Side and South Side, each beat the Irish by a single touchdown. North took the Irish by a 14-7 count, and the Archers defeated us by a score of 20-13. Emerson of Gary managed to squeeze a 13-12 victory over the C. C. squad.

Athletic Department

Rev. Gilbert G. Wirtz—Athletic Director, Mr. Forrest Anderson—Football Coach, Mr. Jack Quinn—Track Coach, Mr. Paul Miller—Basketball Coach.

The Athletic Department

Father Wirtz devotes most of his time to coordinating the work of the various coaches, providing and caring for equipment, arranging for the use of football fields and gymnasiums, and maintaining friendly relations with the other high schools. He has increased the interest of fans in the C. C. teams by scheduling some of the better teams in the state. Facing the very tough competition of the gridiron, Coach Fordy Anderson and his charges finished the football season winning three, while losing five games. Although playing highly rated teams, Mr. Anderson has coached his squad to a good showing throughout the year. Enjoying one of his better seasons, Mr. Paul Miller developed a well-balanced, basketball squad. After carefully choosing his cagers, Mr. Miller worked to improve his team, and ended the campaign with a 10-won, 10-lost record. Experiencing his first year at C. C., Mr. Jack Quinn has helped out in both football and basketball activities, in addition to his track duties. Mr. Quinn is largely responsible for the fine spirit instilled in the C. C. boys.

Football Dance

The crown was placed on the head of Jerry McNulty, the football king of 1949, as the evening of dancing reached its climax. After the votes were tallied, Jerry, who was also the captain of this year's team, was chosen to reign at the annual Football Dance. The "Gridiron Glide" got under way as the students danced to the music of Mr. Woods and the C. C. Dance Band. One of the highlights of the affair was the floor show at the intermission, which featured C. C. students in song, dance, and novelty numbers. The Football Dance was sponsored by the orchestra officers. The dance, held at the Precious Blood Hall, officially closed the 1949 football season.

Mother Is A Freshman

Mother went to college, and with what complications! The fall play, "Mother Is a Freshman," presented by members of the Dramatics Club was another of the comedies staged at Central Catholic. The cast, coached by Mr. Reid Erickson of the Civic Theatre, memorized lines, ran through rehearsals, and finally presented the play last November 16th and 17th. This comedy, taken from the movie and dramatized for the stage, provided plenty of laughs for everyone. When it was over, the excitement subsided, props and costumes were packed, and another pleasant memory was tucked away.

THE BAND

DIRECTOR—MR. JOSEPH WOODS

As the students rush through the halls of C. C., the beating tempo of our band in rehearsal can be heard everywhere. Suddenly there is a long period of silence. One can imagine the directions and excitement flowing throughout the band room. Yes, we C. C. students take this space to show you our appreciation for the hard work and long hours of practice, which enables you to play so well at games, band concerts, and public appearances. Our wish is Mr. Woods, let us continue having fine and exciting music.

THE ORCHESTRA

DIRECTOR—MR. JOSEPH WOODS

The Central Catholic High School Symphony, under the direction of Mr. Joseph M. Woods, has done much to instill in the hearts of the students here a greater appreciation for symphonic music. Among its appearances throughout the year, the orchestra opens the musical season with its formal concert in December. On other occasions the orchestra has presented a musical program at the Catholic Evidence Lecture Series, and also on the Fort Wayne School of the Air broadcasts. The orchestra won many honors this year through the students who took part in the solo, the ensemble contest, and the organization contest which included the full orchestra. Mr. Woods and a few of the music students have found time to give demonstrations of their instruments to the Music Appreciation class.

Glee Club

DIRECTOR—MR. JOHN YONKMAN

The Central Catholic Glee Club, under the baton of Mr. John Yonkman, has made great progress during the past two years. The chorus has set a most remarkable record of assembly concerts, and appearances at the Catholic Evidence Lectures and Christmas Carols. Their first trip of the year was a concert at Huntington Catholic High School, which was well received. Among their other appearances the Christmas concerts surpassed all the others. These students work steadily in order that others may hear and enjoy their efforts.

MUSIC

The Junior Band

Director—

Mr. Robert Rooker

The best music students from the twelve different Catholic Grade School Bands are selected to play in the Junior Band. These young musicians enter the Training Band when they reach High School, and later graduate into the Concert Band. These students have on display several bronze plaques won in musical contests.

ROW 3: Florence Seculoff, Howard Freygang, Agnes Hart.

Assembly Concerts

Without question, the superior assembly programs for the student body are presented by the Music Department. The Band supplies the music for the pep sessions; the Orchestra presents a few informal concerts throughout the year; and the Glee Club provides the music for more formal occasions, as a Requiem Mass for a departed student or the program honoring Msgr. Feltes.

SIDE LIGHTS

The Junior Orchestra

Director—
Mr. Leo Loier

Music students are selected from the grade school orchestras to form this organization. Only the best students are permitted to play in this group. Before they are capable of playing in the High School Symphony Orchestra, they must enter the Training Orchestra in their first year of high school. This early training is chiefly responsible for the present high standards of our high school musical organizations.

Cecelia Hoffert

Christmas Concert

The high light of the music department is the Christmas Concert presented jointly by the Orchestra and Glee Club. Besides the playing and singing of the traditional Christmas songs, a Christmas tableau is presented in conjunction with the music. There are three other regular public concerts presented throughout the school year. These presentations have done much to enhance the popularity of both the Orchestra and Glee Club.

Marching Band

Basketball and football audiences have learned to appreciate and enjoy the maneuvers and skits presented by the C. C. Marching Band. To produce a program for one game, the Band spends an entire week in practice and rehearsals. Because of this intensive training, the Marching Band is without a peer among the city schools of Fort Wayne.

Sophomore Class History

The sophomores showed real school spirit by being active in the Band and Orchestra. They were represented on both the reserve basketball and football teams, and in other school activities.

They chose Al Pickavet as their president. They had a good representation on the honor roll. They fought with the "monsters" in Biology and the right angles in Geometry, but came out well on top.

OUR BASKETBALL GAMES

School life would be very dull without our football and basketball games. Recall the preparations that are made to attend a game; a car, a date, or just a group of boys or girls. There is always the problem of trying to reserve the better seats. The students present are all in a pleasant frame of mind ready to enjoy themselves to the utmost whether we win or lose. Of course we like to win; but that is no reason why we enjoy merely those games. Whether we win or lose, we like to see our teams playing a good, clean game; fighting to the last echo of the timekeeper's gun. We know that we cannot win all the games, but those we do lose will also be honorable.

GIRLS' ATHLETIC ASSOCIATION

The Central Catholic Girls' Athletic Association, with the largest active membership of any club in the school, has completed another successful year. The GAA is under the guidance and direction of Miss Julia Heighway. The officers have been active in the club's activities for four years. The special events voted most popular were the hike to Harber's farm, the volleyball tournament, the basketball tournament, and the award party. To qualify for membership in this organization, 50 points are necessary. An active member can win her triangle with 350 points, her numerals with 800 points, and a large "C" with 1,500 points. The large "C" is awarded to the worthy girls in their senior year.

GIRLS' INTRAMURALS

The most successful and efficient intramural program of the school is under the direction of Miss Heighway. The early part of the season is devoted to a volleyball tournament, which was won by a Sophomore group this year. Following this, a regular basketball schedule is drawn up for the girls of the various homerooms. These games are played in the early morning before school starts, during the lunch period, and even after school if the floor is not being used. Because of this comprehensive program, possibly more girls than boys actively engage in athletics at C. C.

APOSTLESHIP OF PRAYER

This association was formed for the purpose direction of Sister Marie Denise. It has not intentions. By doing good work we are repaid by the indulgences of 100 days or more. The promoter of each home room distributes to the students a monthly leaflet with the intentions of our Holy Father and the special mission intention for that month. As members we should offer our daily trials for the intentions of our associates of the Apostleship of Prayer.

STUDENTS SPIRITUAL COUNCIL

The Students Spiritual Council is under the direction of Sister Marie Denise. It has not been very active this year due to the organization of the Student Council, which has taken over some of the duties of the Students Spiritual Council. The Care boxes, that were formerly sent to foreign countries at Christmas time, was substituted by a very successful mission collection, launched throughout the student body.

ST. FRANCIS XAVIER MISSION UNIT

The mission activities for the year 1949-50 were varied. In November, Tom Alter won the Student Oratorical Contest. The Christmas card sale was the major event in December, with Rooms 309 and 203 first. The Stamp Drive brought Room 203 to the front again. This year's stamps were sent to the Hungarian Fathers of Cardinal Mindzsenty. The annual Tag Day was held on St. Patrick's Day. The mission room has been redecorated as an active work room. It shows the fruits of active mission projects that give spirit to mission endeavors.

DRAMATICS CLUB

With practice, props, and ad-libbing the Dramatics club presented many colorful skits throughout the football and basketball seasons. Under their moderator, Father O'Connor, many members of this club have won speech honors. Besides the two annual plays, audiences also witnessed the activities of the club in conjunction with programs of the music department. The wide range of programs afforded unusual opportunities to the members.

SPANISH CLUB

The purpose of the Spanish Club is to acquaint us with the language and customs of our foreign South American neighbors. The only qualification necessary for membership in the Club is taking the course of second year Spanish. Each month a meeting is held which consists of Spanish skits and games. Many of the club members correspond with Spanish speaking boys and girls. They find it very interesting to learn of the modern appliances and buildings that are now being produced in Mexico and other Spanish speaking countries.

LATIN CLUB

The Latin Club is composed of nine Juniors who are studying Cicero's orations against Cataline with the assistance of Sister Marie Denise, and seven Seniors who are busy translating Virgil's Aeneid with the help of Sister Mary Charlotte. The Officers of the club include a consul and a scribus chosen from the Junior and Senior groups. Meetings are held once a month, usually during the class period. Highlights of the year include a skit put on by the Seniors in October and the presentation by the Juniors of Dickens' "Christmas Carol" with the names and circumstances made Roman.

THE FRENCH CLUB

The main purpose of the French Club is to become better acquainted with the customs and language of the French people. Because of the French classes, meetings are usually held during the noon hour. At one of these luncheon meetings, a skit was presented with those taking part speaking French. The meetings are conducted in French under the moderator of the Club, Sister Margaret Thomas. Its latest activity has been to begin a correspondence with French students who are learning to speak English.

QUILL AND SCROLL

The requirements for membership in the Quill and Scroll are rather rigid. A student must be a member of the Shamrock staff, in the upper third of his class; demonstrated superior work in writing, editing, or business management; and had the approval of the faculty. This club is the National Honor Society for High School Journalists. The initiation ceremonies are held in May for those boys and girls who have fulfilled the above requirements.

RED CROSS

The Red Cross is under the moderation of Sister Francis Jerome. This organization is in full swing especially at Christmastime. Composed of one member from each homeroom, the representatives enroll their students in the national organization. Around the Yuletide season, these boys and girls make stuffed plastic covered animals for the poor children at the orphanage. Another task worthy of praise is the making of favors and place settings for the Veterans' Hospital. Although it is one of the less active organizations at our school, their work has proved beneficial to many, other than our students.

VERONICA GUILD

The Veronica Guild is a society which takes care of the high school chapel. Sister Mary Ambrose is the moderator of this group. It is divided into two circles, the Laundry circle and the Cleaning circle. Although the group is not very active socially, yet the Veronica Guild usually has a Christmas party. This year by a unanimous vote the girls decided that it would be more blessed to give than to receive. The money in the treasury made a poor Mexican family a bit happier.

SCIENCE CLUB

The Science Club provides a source of knowledge and enjoyment for science-minded physics and chemistry students. All members are required to give a demonstration or otherwise contribute to the club's activities at one of the meetings, in addition to providing a project for the club's annual exhibit. Due to an unfortunate accident, Sister Mary Verena, the club's moderator, was no longer able to work in the science department. Sister Miriam Joseph and Sister Mary Agnita agreed to act as co-moderators for the remainder of the year.

STUDENT COUNCIL

Nineteen-fifty has brought a new organization to Central Catholic. It has been in the making for some time, but, in this year of events, we've seen this dream come true. The student Council has begun to function. In certain respects the functions and activities of the Student Council are still in the paper stage. One of the agencies, however, the Occupational Information group under the direction of Sister Edward has already inaugurated a series of vocational tests for the Seniors. By next year the Student Council should be functioning as a synchronized unit.

Junior and Senior class officers are automatically made members of the Council. Each organization in the school is represented by its officers. There are seven distinct agencies of the Student Council. Each agency has a member of the faculty who acts as an adviser. The council is organized into the following groups: Special Events, Cafeteria and Lunchroom, Public Relations, Tickets and Ushers, Occupational Information, School Building, and Study Hall Supervision. Each group has elected a committeeman to preside at its meetings. The Student Council is an attempt to coordinate the activities of the various school clubs and organizations in order to produce a more effective student body.

SENIOR PROM

Cherished in the life of every graduate is the memory of the Senior Prom—the event of the year. The beautiful array of formals contrasted with tuxedos was a pleasant sight for all present. The title of the 1950 Prom Queen was bestowed on Petite Rita Alspaugh, the choice of the senior class. Watching her being crowned by a class officer, taking off her crown and placing it on the Blessed Virgin statue, gives us that sadness and feeling of finality. We will always remember the reverent singing of "Mother Beloved" and the grand march, with the triumphal "Victory March". Who could forget the last time the class of '50 sang the school song together? The senior prom, with all its beauty and ceremony, is the night of nights for all seniors—their farewell to fellow students at C. C. —their last prom.

Junior Class History

The Juniors started out their first year as upperclassmen with a bang by electing Rose Marie Hart to lead them. They put out their issue of the Shamrock, had the annual Junior Dance, joined the Dramatics Club, and were outstanding in sports on both the gridiron and hardwood. By being well represented in our newly organized Student Council, they showed that they will be very capable of filling the shoes of the Seniors next year.

Track

Track has become increasingly popular as a major sport here at Central Catholic since spring football practice was abandoned. It is perhaps the most difficult sport on the year's schedule, for the athlete must continually keep in top condition to give his best performance. Under the expert guidance of Head Coach Jack Quinn, the team has made great strides in giving C. C. a winner on the cinder paths. He has developed such boys as Phil Ehrman and Bob Brown in the 100 and 220 yard dashes, Al Pickavet in the 440, and a crack half-mile relay team. Regardless of the opposition, these boys are out to win for the Purple and Gold of Central Catholic.

Junior Dance

The juniors took a "Dreamers Holiday" on their big social event of the year when they danced to the music of Bob Miller's orchestra at the annual Junior dance. The class officers, assisted by the committee heads, went all out to help put over the social function. Since the stag line was eliminated, it proved to be one of the most pleasant of Junior dances. Decorations were dishes of scrambled stars and other figures which fitted in with the theme of the dance. Those who just danced found that the evening's proverbially good time was had by all—an evening not soon to be forgotten by that peppy class of '51.

Page 74

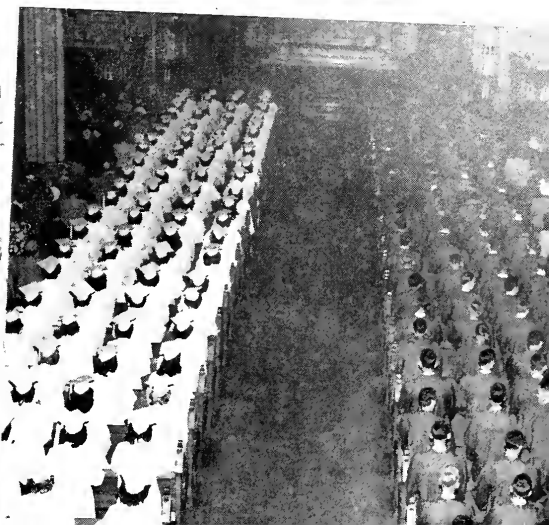

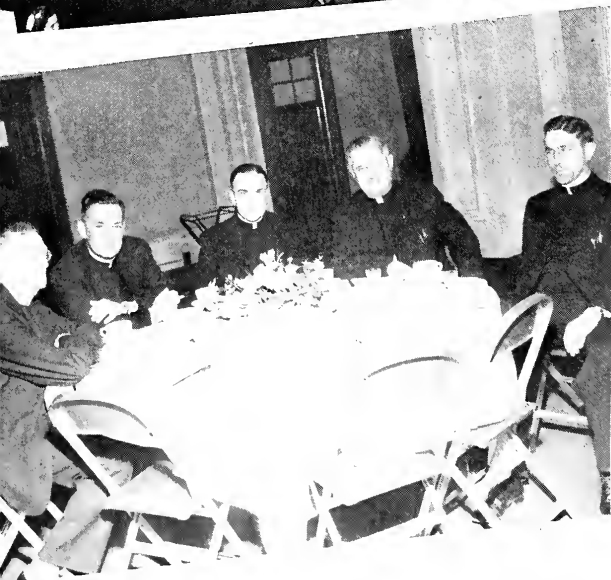

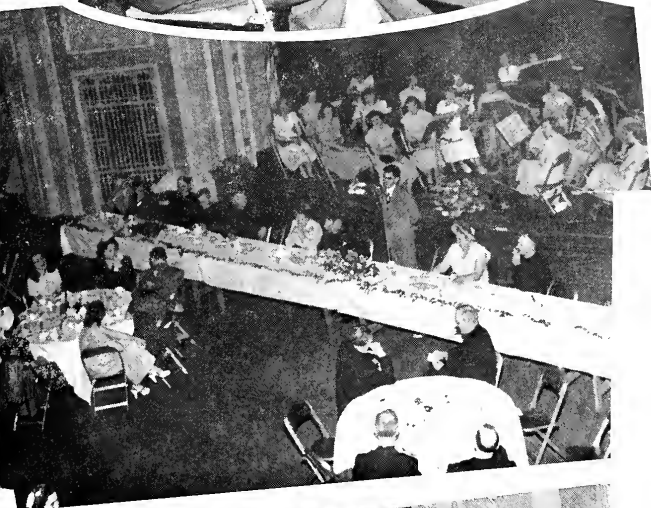

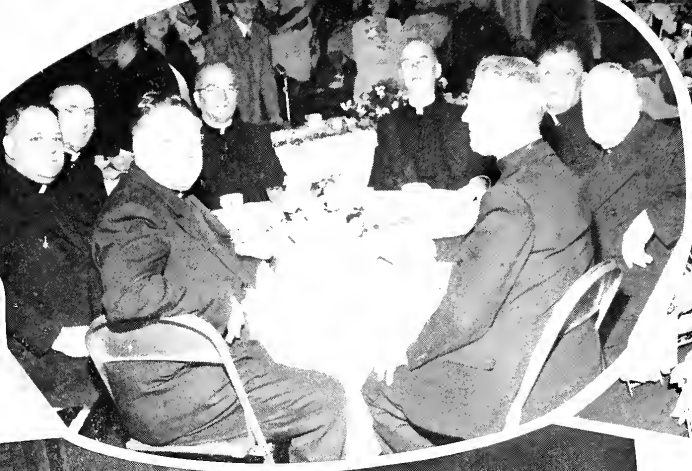

Baccalaureate Day

The Baccalaureate Day began with the Solemn High Mass at the Cathedral, where one of the pastors of the city gave us our final instructions before leaving school. The most impressive moment of the entire Mass, is when the entire Senior Class received Holy Communion together for the last time. Following the Mass, the Mothers Club presented an elaborate breakfast at the Van Orman Hotel. Here the Class Prophecy and the Last Will and Testament of the Class of 1950 was read. It was nice to have our mothers with us.

Page 75

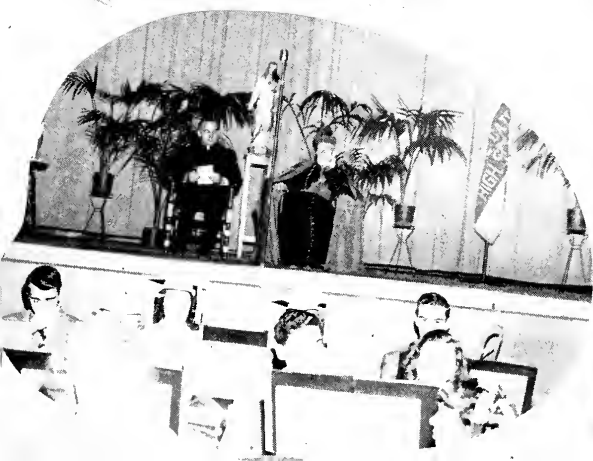

Graduation Day

The day is here. The time has come when the seniors will take their place among the graduates of C. C. The underclassmen observe all the excitement and pass it off as something which does not concern them. In previous years, the present seniors, gave little thought to graduation, but now it means everything to them. They march up the aisle to their places remembering the four wonderful years spent here. With diplomas in hand, they leave behind them the gym, the classes, the halls of C. C., and their student days. Ahead is a new life for all of them.

DOLORES SCHNEIDER

Salutatorian

ROBERT HERBER

Dolores Schneider and Robert Herber have achieved the highest four year average of their graduating class, entitling them to represent their class on graduation day. Both have been four year honor students; received the religion award, Dolores in '48, and Bob in '49; and are members of the Latin and Science clubs. Through all four years, they've brought honors to Central Catholic in both local and state contests, and well deserve the rating of our "Vally and Sally."

Friendly

Jerry and Annie

"How ya' been, Tom," or "Hi there, Mary"—that's it—the trademark of the friendliest seniors, Agnes Hart and Jerry Zuber. Annie, the fourth term class prexy, was assisted by Jerry for two years when he was class vice-president. While she is now busy with her band, orchestra and Glee Club work, Jerry works in the Shamrock circulation department. They both are members of the student council. Jerry and Annie will still be our friends long after graduation.

Joanne Rysick

Gentle People Steve and Barbara

The most ladylike and gentlemanly laurels were bestowed on Barbara Landis and Steve Steckbeck. Barb is this year's vice-prexy of the dramatics club, and a member of the Glee Club for two years. Steve, besides carrying out the duties of Mission president and Shamrock advertising manager, is active in the Science and Dramatics Clubs. Both are on the student council. Politeness plus—they have it.

Well Dressed Bob and Ann

Two of the more quiet seniors are Ann Rodriguez and Bob Kramer. Quiet, but not unnoticed, for they came up on top as the best dressed seniors. Spectacled Bob has been a homeroom representative for the Mission Unit and the Apostleship of Prayer during his C. C. years. Ann is the French club president and is a member of the Latin Club. Between times, she does reporting for the Shamrock. Best dressed? You bet!

Cooperative Don and Sue

Sue Donovan and Don Mauch, selected by their classmates for the cooperative title, have kept busy with their share in C. C.'s activities. Sue holds down the job of Shamrock feature editor, while Don is serving as class treasurer and dramatics club president. The Spanish and Dramatics clubs are among Sue's other interests; and Don is a well-known figure around the cinder path during track season. They've proved it—cooperation counts.

Athletic Dick and Eileen

Best athlete honors went to Eileen Plescher and Dick Klein. Besides serving as the GAA vice-president, Eileen is an active member of the Veronica Guild, Legion of Mary, and Dramatics Club. Basketball fans are all familiar with Dick's prowess on the hardwood. After the season was over, however, it was his position as Echo editor that kept him busy. Both can usually be seen sporting their purple and gold sweaters, and why not—they certainly earned them.

SENIOR CLASS HISTORY

The day we were waiting for finally arrived. We were Freshmen at C. C. We looked longingly at the seniors, never stopping to realize that one day we would be they. We went to our first class, saw our first game, and attended our first prom. How exciting! It was all so new. Next we were Sophomores, and looked down with glee on the "little freshies." We did our share to initiate them, but we were really glad to have a younger class under us. Then we were Juniors. Imagine us, upperclassmen! We put out our own issue of the Shamrock, had our Junior Dance, and was it fun! Finally the day came! We were Seniors. It wasn't until then that we realized it was our last year. We organized the first Student Council. We elected Annie Hart our president for the fourth time, while big Jerry McNulty reigned at the Football Dance, and petite Rita Alspaugh reigned at the Prom. We brushed a tear from our eye as we walked up to receive those cherished diplomas, wishing that we could do it all over again. We have loved these years at C. C., and will never forget them.

THE SENIORS FAREWELL

It is all over, but we do not feel like shouting. The four years which we have just completed were pleasant ones. We are deeply grateful to our teachers, who tried so hard to instruct us and build up our characters. Time will judge the value of their work. We are appreciative of our Catholic high school education. We bid farewell to our fellow classmates, realizing that this is the parting of the ways. We hope that C. C. is a better school for our having attended it.

THE 1950 ECHO

We hope you like it. As the Echo Staff promised you at the beginning of the year, the 1950 ECHO would be completely redesigned, putting aside the conventional pattern of previous years. The credit for the yearbook belongs to the student body and faculty which cooperated so well in obtaining the necessary finances and pictures. Acknowledgment is here made to Mr. Joseph Hazlett for his class and group pictures, Mr. Virgil Montague for his help in designing the book, Mr. Tom Broom for his sketches of Little Sir Echo, and Mr. Ver Keefer for his untiring efforts to get the book printed on schedule.

Besides furnishing the conveniences of Light and Power and Water at lowest costs, your City Utilities annually absorb thousands of dollars of non-operating expenses—free services to the City—which otherwise would be passed on to the taxpayer.

The Road Ahead

For some it leads to college . . . for some, a place in business or industry . . . for the girls, perhaps, it's marriage and a home. Regardless of your choice, opportunity lies ahead. Opportunity that stems from the American Way of free choice, free speech, freedom to build a future. Indiana & Michigan Electric Co., a business-managed, tax-paying example of free enterprise, wishes the class of 1950, good luck . . . and good living . . . the American Way.

Four things a man must learn to do
If he would have a record true.
To think without confusion—clearly,
To love his fellow men sincerely,
To act from honest motives purely,
To trust in God and heaven sincerely.
